D E D C A T I N

There are always times in a student's high school career when he feels that his efforts are of no particular value or consequence. This is far from the truth. Your contributions, large or small, are interwoven with those of your classmates to form the pattern of life which is, in essence, the spirit of West Mecklenburg High School.

Our school is neither more nor less than the sum total of its parts. West Mecklenburg High School is what it is because of you, the individual student. Therefore, it is in tribute to YOU that we dedicate this, the 1959 edition of the Tomahawk.

#### SAFETY PROGRAM

The West Mecklenburg Seniors show their concern for safety through the activities of the Safety Club. These activities reach into many phases of our school and community life, as the club strives to promote a keen awareness of safety throughout the student body, in school and out.

Although the competitive aspect of Safety Club work is no longer present, the seniors this year put forth redoubled efforts and interest in projects and in safety supervision and leadership. Projects involving driver alertness during the holiday season and student responsibility during evacuation of the school building during drills were successfully carried out. The last months of school usually bring added efforts toward the end result of a safety-minded citizenry throughout the year.

At West this program is under the direction of Mr. John P. Coulter, Jr. who does an outstanding job and keeps SAFETY over present in our minds.

#### K

The Key Club was organized this year upon the initiative of nine outstanding Senior boys with the help of the faculty and Mecklenburg Kiwanis sponsorship, Mr. Mangum Sloan, Adviser. Determined and intelligent leadership is the goal of this elected group made up from all three high school classes. Projects emphasizing the de-

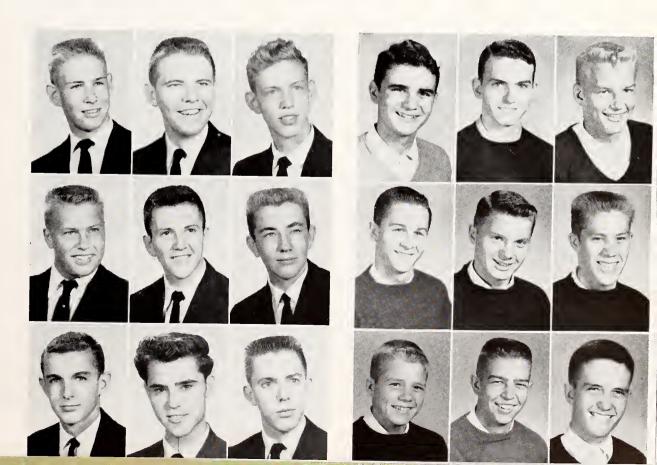

velopment and strengthening of scholarship, sportsmanship, citizenship, and moral values were carried out during the year.

To provide the highest quality of leadership in all phases of school and community life is the basic purpose of this group of young men.

TOMMY HELMS
West's Little Slugger

Track season is looked highly upon by the students at West. Although West was not Number One in the state, Coach Ronald Patterson is sure that he will have some top men this year. Some of these are Freddie Lowe in the dashes; Grady Long, Croker Eason, and Wayne Batcheler on the hurdles. Wayne Overcash and Roy Hunter will be going for the distance runs; and Jimmy Lewis, Eddie Gibson, and Jimmy Rhyne will throw the shotput.

Top row: John Clary, Jimmy Barnette, Jimmy Pittman, Bobby Torrence, Fowler Bush, Charles Funk, Jimmy Lewis, Tommy Helms, Ben Choate, Bobby Laine, Ronald Byrum, Tommy Lacy, and Reggie York. Middle row: Ralph Mangum, Marvin Sutton, Roger Green, Wayne Overcash, Wayne Batcheler, Croker Eason, Freddie Lowe. Grady Long, Bill Hicks, Dudney Jarnagín, Reggie Robinson, and Jimmy Rhyne. Bottom row: Clayton Todd, Eddie Gibson, Jerry Wingate, Graham Berry, Craig Freeman, Charles Asbill, Dean Carlson, and David Nesbitt.

## TRACK AND CROSS-COUNTRY

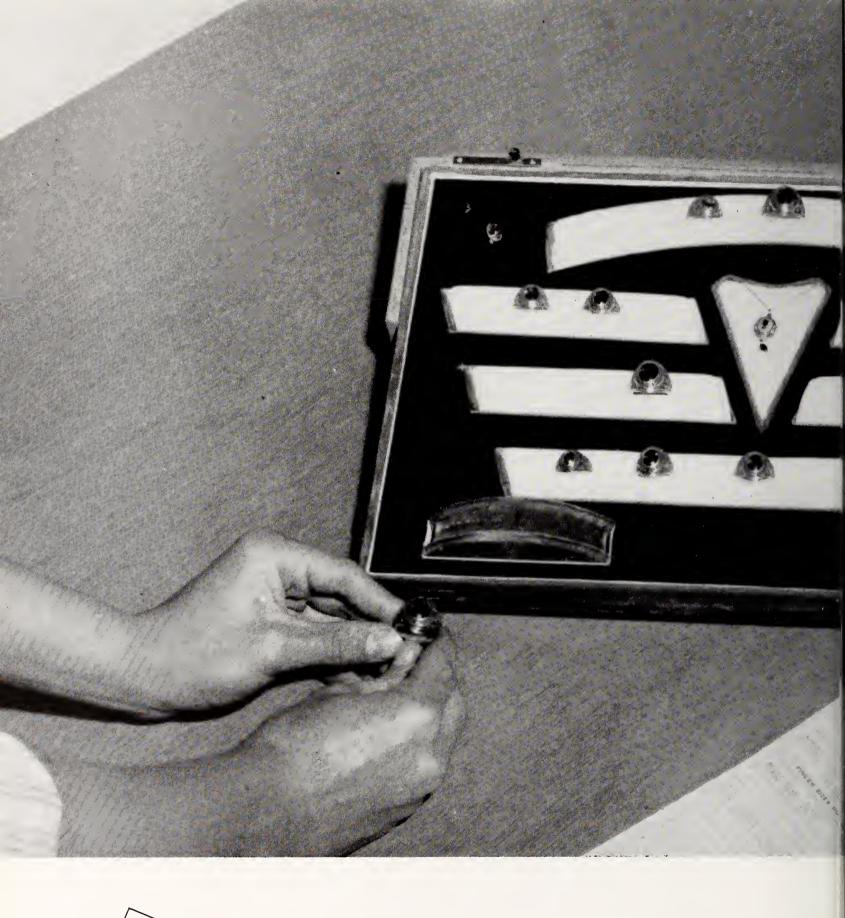

"Over the River and Through the Woods" is the motto of our cross-country team and that is where they stayed most of the fall. Since this was West's first cross-country team, we think these winged "thin-clads" did a fine job and we are very proud of them.

Front row: Bill Freeman, Roy Hunter, Ned Abernathy, Bobby Torrence, and Marvin Sutton. Back row: Wayne Overcash, Fowler Bush, Bobby Laine, Charles Funk, John Clary, and Jimmy Clark.

The last work but not the least in importance is done by our loyal helpers: Robert Morrison, Jannie Cooper, Frank Jones, and Rebecca Morrison.

So our story closes but the volume of our years will number it a most important one. It contained adjustment to different roles, acceptance to new ideas, and recognition of greater things to come. The volume of our lives will often quote West, though now the chapters are closed but to memory.
